

# WHAT WE BELIEVE

Your child's spiritual growth is an important part of their development. Here is some information on what we will be teaching children and how we will support your efforts to lead them spiritually.

Every week you will receive a parent letter on the back of our weekly newsletter. The letter will be a short summary of the Bible story your child will be learning that week. It will also give information on child growth as it relates to their spiritual development. The following is a simple statement of what we believe and what is taught at Promiseland on a consistent basis:

*God is the creator of everything in heaven and on earth. The Bible is His word to us. Jesus came to earth as a baby and grew as we do, except He lived a sinless life. He loves us and knows us personally. He died so that He would be punished for our sins instead of us. Jesus did not remain dead but came back to life and is alive today. When we believe in Jesus and ask Him to, He will forgive us for the bad things we do. He also gives us His Holy Spirit to live inside us, to teach us and lead us. When we make Jesus our Lord and Savior, He promises to make us an eternal home in heaven with Him!*

Thank you for allowing us the privilege of helping you share the good news of Jesus with your children. We will all be blessed as we watch God work in the life of your family this school year!
